THE FESTIVAL

Since 1985, MiX – International Festival of LGBTQ+ Cinema and Queer Culture has been the Milanese event dedicated to the public screening of lesbian, gay and transgender themed films, and over the years it has become one of the most popular Italian festivals in terms of public attendance.

MiX Festival is a blend of quality, where the pages of books and the words of the theater are combined with films. Where the best of the visions in circulation are gathered around the themes of identity. MiX Festival is a special opportunity to see films of international independent production and Italian premieres, avant-garde, polyglot and innovative films. Telling the past, exploring the present, imagining the future.

The Festival will be held in an hybrid form, both with online and on-site screenings at the Piccolo Teatro Strehler in Milan from 16 to 19 September 2021 .
